

Votacall HD Voice Polycom VVX 500 • 501 Business Media Phones

it's more than just a phone...

The Polycom® VVX® 500 is an easy-to-use, high performance business media phone that's designed for today's busy managers and knowledge workers.

Powerful yet Simple

The Polycom VVX 500 Series phone is built for today's busy managers and knowledge workers who need a powerful, expandable office phone that keeps up with their multitasking and schedule-juggling. Building on the behavior common to mobile phones, the multi-touch, gesture-based user interface of the Polycom VVX 500 makes navigation intuitive and easy.

Quality

To be clear, the Polycom VVX 500 Business Media VoIP Phone delivers unsurpassed quality and clarity to the end user.

The VVX 500 Series phone supports and promotes Polycom's innovative, Polycom® HD Voice™ technology for quality, lifelike conversations while minimizing fatigue, making calls more efficient and productive.

Productivity & Efficiency

The Polycom VVX 500 performance business media phone improves productivity by reducing training time through superior calling features in a simple-to-use phone with a sleek design. The color touch display screen makes the Polycom VVX 500 the most powerful and intuitive VoIP phone on the market.

Want to add video to your daily communications activities?

Add the Polycom VVX 500 compatible camera and start conducting video calls with other members of your staff.

The VVX 500 was designed to be as robust as it is simple all while protecting your existing IT investment and your ongoing investment in your employees and customers.
