Polycom® KIRK® Handset Accessories

Making Wireless More Efficient

With the KIRK Handset Accessories you can maximize the capabilities of your wireless handset.

The choice of a carrying option makes it easy for you to always be within reach for customers and colleagues, and with the KIRK Headset you can even answer your telephone and use both hands at the same time.

To protect your KIRK Handset from scratches, shocks, and dust choose the KIRK Leather Pouches or Industrial Covers, which have been designed to perfectly fit the shape of the handset.
